The

WORD!

Even though they are helping you, sometimes it's tough when adults act like you are not strong enough to help with certain things or make you feel like you are too small or not old enough to handle some issues in life.

As a Christian, you can feel the same way also. The world can intimidate young believers, by making you think they are stronger and in more control than you. Even movies and television programs show Christians as weak and helpless against the forces of evil.

Memory Verse

“But you belong to God, my dear children. You have already won a victory over those people, because the Spirit who lives in you is greater than the spirit who lives in the world..” - 1 John 4:4

But the truth is satan and anyone on his team are no match for those who are children of God just like Elijah, when he showed us how he defeated the prophets of Baal. And Jesus really humiliated the enemies of God when He died on the cross and rose again from the grave.

So know that no matter how forceful an person may seem to be, they are no match for the power of the Holy Spirit in the believer who know the truth of God's Word. By the way, are you one of those believers?
